

CORE CURRICULUM TESTS Superintendent's Report

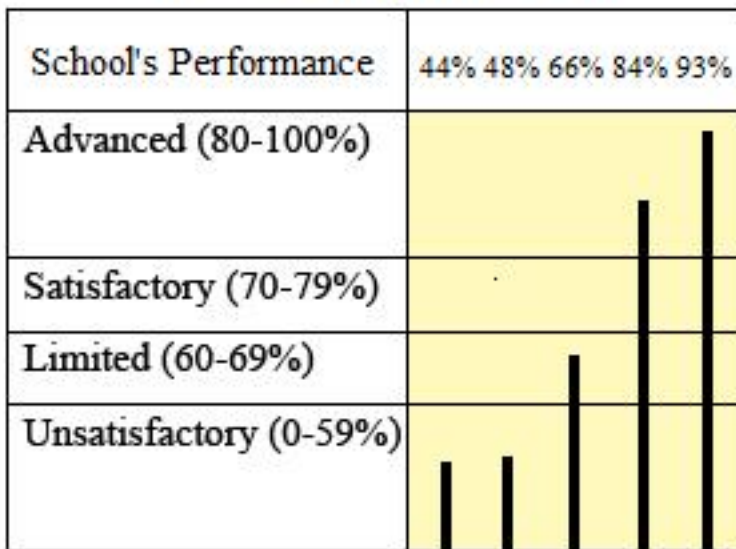

Superintendent: Mr. Lowel Chalmers

This chart shows the combined score of all students in all classes at your individual schools. You can also retrieve the Principal's report which will let you see the test scores for all topics for all teachers in each school. Finally, the Teacher's Reports will let you see how each student is performing in each of the areas where they will be tested during the annual state test.

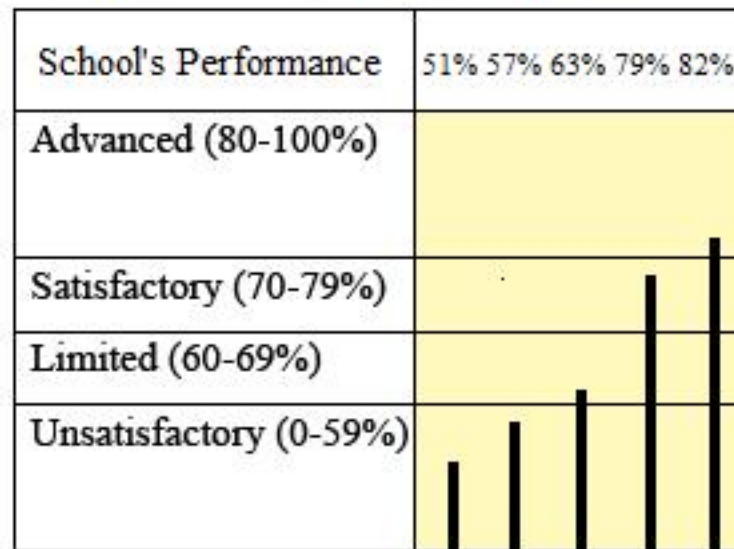

Achievement Level by School

Washington Elementary School
